The Management is pleased to enlighten the parents with a bird's eye view of the activities that have comprised the school curriculum during the present academic year.

The year commenced with the celebration of Mother's Day, held on 8th May, 2017, followed by World Environment Day and many more ...

“The heart of a mother is a deep abyss at the bottom of which, a child will always find a haven of refuge”.

To mark the God given universal gift of motherhood, Mother's day was celebrated in the school on 8th May 2017 and to invoke the blessings of all mothers as the children begin a new academic year.

It was a grand celebration with Mrs. Sunita Phadnis and Mrs. Tara gracing the occasion as Chief Guests, not to mention the eager, excited mothers adoring their off-springs. Mrs. Sunita Phadnis made a mention of the significance of the role of mothers in creating and moulding a society filled with stalwart citizens capable of facing insurmountable odds in life and emerging victorious thus proving themselves to be dutiful and patriotic sons and daughters of the soil. After the formal function, few games were conducted for parents and their active participation was appreciated.

They stated that they were looking forward to many more such exciting events in the coming days.

World Environment Day

“We won’t have a planet to live on, if we continue to destroy the environment”.

To emphasize the significance of this thought, World Environment Day was celebrated in the school on 5th June 2017. This year’s theme was ‘Connecting People to Nature’. Keeping the theme in mind, we decided to have a celebration of the day in the school with several activities.

We had invited the area Corporator, Mr. Rajashekar as the Guest of Honour. The day started with a prayer and the lighting of the lamp.

Cultural events during the celebrations included the recitation of songs, speeches and a skit in Hindi. A speech was given on ‘Reduce, Reuse and Recycle’. The Chief Guest in his speech expressed his pride in being a part of the programme. Our Chairman Mr. Ravikumar Raju, encouraged children to plant more trees and also gladly distributed a sapling to each student. In her speech, our Principal Mrs. Jayashree Ananth said that the day’s celebration begins with us and also encouraged to reuse and recycle the waste materials.

The formal function ended with the planting of saplings by the Chief Guest followed by a few children, concluding with the rendition of the National Anthem.

Achiever's Meet

“The difference between setting a goal and achieving it is in having a good plan and working it” - Les Brown.

One of the unique practices at Young Scholars Academy is to have an Achievers' Meet in which a renowned person who has achieved greatness in his chosen field is invited to our school and felicitated.

This year we invited our Chairman Mr. Ravi Kumar Raju on 10th June 2017 to inspire and motivate the students regarding his achievement and the goals he had set himself, the reasons for embarking on this journey, founding and establishing a great educational institution like this in such peaceful environs and equipped with the state-of-the-art infrastructure. The Chairman's speech was inundated with excerpts from his own life situations and the Question-Answer session that followed enlight-

ened the students about the expectations of the society from them in school and at home and elsewhere. The children were enthused as they listened to such nuggets of wisdom.

WORLD OZONE DAY

The World Ozone day is celebrated on 16th September all over the world to mark the importance of the ozone shield that absorbs most of the sun's ultra violet radiations.

The students of Young Scholars Academy celebrated the same on 15th September 2017, in which during the morning assembly, students of grade VII conducted a special session which was informative regarding the ozone shield, in order to mark the day way back in 1987 when the Montreal Protocol was signed.

INTERNATIONAL YOGA DAY

Derived from the Sanskrit word 'yuj', Yoga means union of the individual consciousness or soul with the Universal Consciousness or Spirit. Yoga is a 5000-year-old Indian body of knowledge. Though many think of yoga only as a physical exercise where people twist, turn, stretch and breathe in the most complex ways, these are actually only the most superficial aspects of this profound science of unfolding the infinite potentials of the human mind and soul. The science of Yoga imbibes the complete essence of the Way of life.

An active practitioner of Yoga, Mr. Arun Suren-

dran from the Art of Living Institute, joined us during the observation of International Yoga Day on 21st June 2017.

He started the session with the chanting of Shanthi Manthra 'Om Om purnamadah purnamidham purnaapurnamudachyate Purnasya purnamaadaya purnamevaasashisyte' and explained the meaning of the scope and significance of Yoga in today's world and displayed various asanas, inspiring the students to do the same.

SHRI KRISHNA JANMASHTAMI

Krishna Janmashtami, also known simply as Janmashtami, is an annual Hindu festival that celebrates the birth of Krishna, the eighth son of Devaki and the eighth avatar of Vishnu. It is observed according to Hindu lunisolar calendar, on the eighth day (Ashtami) of the Krishna Paksha (dark fortnight) in the month of Shraavana of the Hindu Calendar, which overlaps with August and September.

To mark Krishna's avatar to annihilate the evils of ambition, ego and chauvinism prevalent in the society, the corridors of the school were decorated with little Krishna's footsteps awaiting his arrival.

Brightly clad little Krishnas were the cynosure of all eyes in the assembly.

VARAMAHALAKSHMI POOJA

DUSSEHERA

Dussehra also known as Dashahara, Dashain (in Nepal) Durgotsav, Navratri or Vijaydashami is one of the greats Hindu festivals celebrated on the tenth day of Shukla Paksh of Ashwin and is celebrated in a variety of ways in India and in the neighbouring countries where Hinduism is followed.

The festival of Dussehra occurs during the end of September or the early part of October. The word 'Dussehra' is derived from two words 'Dus' meaning ten and 'Hara' meaning defeat, symbolizing the slaying of the ten-headed demon king Ravana by Lord Rama, the seventh incarnation of Lord Vishnu. It is also celebrated for the victory of Goddess Durga over the buffalo demon Mahishasura.

In the school Dussehra was celebrated on 22nd September 2017 by Grade VIII students. They presented two dramas about the victory of Rama over Ravana and Goddess Durga over Mahishasura. The dance that followed vividly depicted the various human emotions in a colourful display.

Onam is the biggest and the most important festival of the state of Kerala. It is a harvest festival and is celebrated with joy and enthusiasm all over the state by people of all communities. Onam is celebrated in the beginning of the month of Chingam, the first month of Malayalam Calendar (Kollavarsham). This corresponds with the month of August-September according to Gregorian Calendar.

In our school, Onam was celebrated in the assembly conducted by the students of Grade II on 4th September 2017.

GURU POORNIMA

"India, the land which produced students like Ekalavya, whose reverence towards his guru is worthy of emulation, is filled with students who draw inspiration from their gurus, who are epitomes of the towering personalities of humanitarian virtues".

'Guru' is a Sanskrit term that connotes someone who is a 'teacher, guide, expert or master' of a certain field of knowledge. In pan-Indian traditions, guru is someone more than a teacher, traditionally a reverential figure to the student, with the guru serving as a 'counsellor, who helps mould values, shares experiential as well as literary knowledge, an exemplar in life, an inspirational source and one who helps in the spiritual evolution of a student'. The term also refers to someone who primarily is one's spiritual guide, who helps one to discover the same potentialities that the gurus have already realized.

Guru Purnima is celebrated in the memory of the birth of the great sage Veda Vyasa.

This year Guru Purnima was celebrated on 10th July 2017.

A small skit was presented by the students of Grade VI.

The moral of the story says that God is everywhere. No one can do anything hiding. If no one is seeing you, there is always God who has an eye on us.
