“Creativity is seeing what others see and thinking what no one else thought.”

- Albert Einstein

Welcome to the first edition of The Scholars Magazine. Marking the decennial year of the school we would like to congratulate each and every student and staff who have put in their thoughts for bringing out this edition.

This is a milestone that marks the growth and unfolds the imagination to create a visual treat.

We believe that every child is unique and have their own ways of expressing their capabilities and talents . As we collate each and every talent available to us we lay the foundation for a masterpiece.

It makes me proud and gives me immense pleasure to showcase the talents of our school students. The very best articles and art work have been put together to reflect and celebrate our achievements in the year 2021-22.

I thank our dear Management for the constant support they have given us in every step. The cover page highlights a conceptual art work of the world of innovative teaching and learning done by Saanvi of class IX.

We hope you all enjoy it as much as we enjoyed the efforts of putting together such fantastic work.

From the Chairman's Desk

Namaste.

It gives me great pleasure to announce that our school has brought out another edition of the Scholar's Scoop, showcasing the talents of our students. I congratulate the entire team who has put in the efforts to bring out this publication. Young talent finds its first exposure through this medium and we hope many more students use this opportunity in the upcoming editions. These activities go a long way in kickstarting their writing skills with their acquired knowledge at our campus.

The holistic learning of the students is of paramount importance and shall be most cherished by their hard working teachers. My best wishes to all the participants and hope the student fraternity and as well as the parent fraternity enjoy this effort from our students and staff.

As we are starting the new academic year, we should double up all our efforts from both, the parents and the teachers side to assist children to catch up with lost time due to Covid. While appreciating your full cooperation to this institution, I wish you and your ward the very best for the upcoming academic year.

Warm wishes

Regards

Annual Report 2021-22

About the Management

At the onset, let me brief you about the inception of this school. Sri. Late A.S. Narayana Raju is the founder of this young institution called Young Scholars Academy. He is also a co-founder of ASK Brothers Enterprise, a name synonymous with construction and asset management. It is a diverse corporation with a family tradition of over six decades, which has created a benchmark for excellence, integrity and creativity in the construction industry, commercial complexes, educational Institutions, and hospitality infrastructure.

Late Sri A.S. Narayana Raju
Founder

Now his children are carrying forward the family mantle and remain committed to excellent value proposition with the vision to provide quality education to all students of this Institution. Currently it is managed by his son Sri Ravikumar Raju and Smt. Tara Raju the current Chairman & Secretary respectively. Their children too, are young Directors of this institution, Smt. Tanya Raju & Kum. Trisha Raju, following their footsteps. A supportive management and wonderful people with a vision to give better education to the students rule the helm of this wonderful institution. It would be unfair if I don't mention the parent fraternity who has had faith in us for so many years and we promise to deliver our best.

*“Learning is not a product of teaching.
Learning is the product of the activity of learners.”*

– John Holt.

This report showcases the achievements and glories of our school, undoubtedly, but also makes us think deeply about strengthening ourselves in various other areas. We have always been committed to create an environment in the school which helps the young minds to blossom and provide a platform for individual thinking and holistic development of the child's personality.

Surabhi Yamini Iyengar
Principal

We have set standards and goals for ourselves and strive hard to achieve them – be it in the area of academics, sports, discipline, leadership and more. Each year students have made the school proud with their brilliant efforts not only in the field of academics but also in the co- curricular areas.

Inlaid Talents

Over the last 21 months the pandemic has played its part in all our lives. The academic years faced a very challenging time. The pandemic brought the world to a complete halt with multiple lockdowns all over the Nation. It had become imperative to stay at home and we had to decide how to meaningfully utilize our time. In these hard times, we had to maintain positivity and high morale.

Our teachers had to change to online teaching, requiring them to use various digital tools and resources and implement new approaches to teach so that they enable fruitful learning. I am grateful to have such a wonderful team of facilitators. They faced every hurdle that came their way.

Young Scholars Academy is a diverse community committed to living our faith and to challenging the whole child through academic excellence, physical development and social-emotional growth in a respectful and supportive environment.

Parent and School Association

We hope to make a BIG DIFFERENCE in the lives of our students who are tomorrow's leaders. We are grateful to our families, grandparents, alumni, parents of alumni, and friends who enrich us with time, talents and treasures. We are appreciative of our amazing faculty and staff who tirelessly dedicate their time and energy to our students. We extend much gratitude to each of you for your support to Young Scholars Academy! Thanks to your support, we are able to fulfill our mission To Learn to Lead with hands- on learning experience for our scholars that's both affordable and accessible.

As a parent, you are the major provider of your child's education from birth through adolescence. You guide the development of his/her character and mental health and help form the foundation from which he/she'll develop lifelong attitudes and interests. And because your home is the primary environment in which your child's potential and personality will take shape, it's important to make sure that you create a positive, open atmosphere that will not only support what goes on in the classroom, but will also instill the desire to learn.

It is through your love and encouragement that your kids will become motivated - first to please you, and then to please themselves. This leads to self-confidence, curiosity, the enjoyment of mastering new tasks, and other healthy attitudes, all of which contribute to successful learning.

In the past months home schooling has become an integral part of all our lives. While it's true that all of the facts, skills, and concepts your children learn at school are influenced by what you do at home, your child's education is equally impacted by the relationships you form with his/her teachers. Building an effective relationship with the teacher is a critical task, and, like you, every teacher wants to achieve this goal. As with

any relationship, mutual respect, the ability to listen, and lots of communication form the foundation.

Parent-Teacher Interaction

When parents and teachers work well together, everyone benefits. Parents and teachers can provide each other with unique insight and different perspectives about the same child, culminating in a more complete understanding of that child, her abilities, strengths, and challenges. The teacher will know much more about the curriculum and the school culture, while you know more about your child's personality, tendencies, and family life. A successful parent-teacher partnership also shows a child that an entire team of adults is on his/her side.

Online Orientation was held for all levels of the school. Students and parents were briefed about academics as well as the co-curricular activities.

Singing Competition

Singing competition for our dear parents was received with great enthusiasm. Parents participated with to showcase their hidden talents. The event was a huge success and was loved by all. The

1st Position was bagged by Mr. Chandan Vidyarthi Parent of Aadhira (Mont 3)

2nd Position was bagged by Ms. Pooja Kohli Parent of Ruhan Kohli (Class 4 B) and Kanav Kohli (Class 9)

3rd Position was bagged by Mr. R Kamal Hasan Parent of K Arya Hasan of Class 5 B.

International Yoga Day

‘You cannot control what goes on outside, but you can control what goes on inside’ is a famous saying that goes hand in hand with Yoga. It has been an integral part of the school system and we are proud to see children wanting to practice the asanas accurately for better mental and emotional balance. Online/ offline yoga classes were an integral part of the entire year.

International Olympic Day

International Olympic Day was observed in the month of June creating awareness among children about the importance of sports, health and togetherness. An ode to Milka Singh and his life time achievements was shown to the students.

National Doctors Day

A special ode to all the doctors was given through an online program as the doctors had been combating the COVID-19 pandemic to the best of their abilities. Parent of Hasini Vishala of Class VI B, Mr. P Sarvanan (MD, Pediatrics) addressed the students with useful tips to follow during these difficult times.

Gurupoornima

Gurupoornima was celebrated in a grand way on this day the teacher or mentor is worshiped. A Guru is a person who empowers us with knowledge and leads us from darkness into light. Students of various classes expressed their love and affection towards there Guru which was heartwarming to see.

Independence Day

Celebrating national festivals is a sense of pride for us and the children participated with zeal and fervor. Independence Day was celebrated with equal enthusiasm with teachers in the school campus. Since we were still in the online mode then we had a special assembly for the students class LKG -10. The patriotic dance done by students was wonderful executed. Participation was at its peak. Students also spoke about the importance of this day. It filled us with a great sense of patriotism.

School Competitions

A vital part of growth of students depends on their participation in inter school competitions & we at Young Scholars Academy believe that such participation leads to an overall development of an individual. We have had our students participate in various competitions such as Storytelling, spell bee, creative writing, painting, pick n speak & sports competitions. It gives me great pleasure to inform you that they have and will continue to emerge as winners in all fields.

Celebrations

Janmashtami was celebrated in the online mode. A special dance was screened for the occasion, depicting the love between Yashoda and Shri Krishna.

Teachers' Day

Teachers' day was celebrated with great excitement. A Special assembly was conducted talking about the importance of this day online. The management had organized a special lunch along with some music dance and games. The teachers were given a token of appreciation from the management for which they are thankful. Mr. Vikramathithan A C, Father of Hamsini of Class VII addressed the students.

Ganesh Chaturthi

One of the most revered gods in the hindu culture Ganesha. This festival is also known as Vinayaka Chaturthi. He is known as the Vignaharta and is prayed by all at the beginning of any auspicious occasion. The students viewed the story of Ganesha and performed a dance for the occasion.

Achiever's Meet

We had an achievers meet on 25th September 2021, & had invited Mr. Shahavir Tarapore Hon. Joint Secretary of KSCA, to speak to the students about the importance of sports and the dedication and hard work behind it.

Gandhi Jayanthi

The birth anniversary of Mohandas Karamchand Gandhi, also known as Mahatma Gandhi was celebrated on 2nd October 2021. Students enacted famous leaders as well as gave short speeches on Gandhi who is famously referred to as the Father of our Nation.

Dussehra

Dussehra also known as Vijaydashmi marks the victory of Lord Rama over the 10 headed king Ravana who had abducted Sita, his wife. The story of dussehra was narrated to the students and a dance praising goddess Durga was performed.

Diwali- A festival of Lights

Diwali was another wonderful occasion wherein many decorated diyas and many sent us videos as to share how they celebrate the special occasion at home.

Kannada Rajyotsava

Kannada Rajyotsava was celebrated with great enthusiasm. The children from 1-10 participated in the program. An array of songs, dances & dialogues were portrayed. The song was enjoyed by all sending a message to each one that God is found everywhere even in one's work.

Computer classes

The computer classes are one of the most loved ones because they get to work on individualized systems, and this gives them freedom and a sense of 'I know it all'. However, guidance and support is provided to keep a check on them and I request you to do the same at home too.

Library

Reading in the library is an all-time favourite of the students as they equip themselves with knowledge and creativity of ideas and thoughts. Losing themselves in the fantasy land of magic and mystery during this period is inevitable. My sincere request to you

all is to encourage them to read books that are age appropriate. In the long run it will help them improve their vocabulary and English. Post pandemic students were glad to be back in the library.

Hindi Diwas

Hindi Diwas saw an array of activities done by the students with the guidance of their teachers. Poem recitation, Quiz session and dance were a few activities that were conducted on stage during the assembly.

Co-Curricular Activities

Various Co-Curricular Activities were held to develop children physically, morally, socially and mentally and to hone skills in co-scholastic areas and display their caliber.

Academics

The previous year syllabus was a 30% reduced syllabus and the class 10 Board exams we divided into Term 1 and Term 2. The students have fared well and given the circumstances have put their best foot forward.

CBSE Workshops

In keeping with the school's policy of continuous up gradation of knowledge and skills, our teachers attended various workshops and seminars organized by the school and others to improve their academic transaction skills and to update their capabilities. Teachers workshops organized by CBSE was attended by all faculty members especially high school teachers to help them keep themselves updated with the changes in the curriculum & pattern of question papers.

CBSE Activities

An ongoing process in the school are the CBSE activities all feasible activities prescribed by the board have been conducted throughout the academic year. A part of this is the Ek Bharat Shrestha Bharat program conducted by the board which aims to promote interaction between various cultures with the objective of promoting mutual understanding amongst all.

Sports and Games

We have also been having games and sports for the students in-house to encourage them to participate in all sport activities. Inter-house events such as throw-ball, kho-kho, volley ball, basket-ball and cricket are largely loved by the students.

Pariksha pe Charcha

Parisha Pe Charcha was a nationwide event on the DD channel where Sri. Narendra Modi ji, our honourable Prime Minister, addressed the students of the entire nation. Students were motivated and were inspired by his talks. Students of class 6-10 viewed this programme live on the 1st of April, 2022.

Graduation Day

Graduation Day was celebrated on the 19th of March 2022 for the Class 10 students. The occasion was graced by Mrs. Renu Srinivasan, Education Consultant, & Chairperson of Sneha Society for Counseling. It was nostalgic day for the students and parents. The Shikshavali

was recited followed by lovely musical renditions by the outgoing students. The alumni batches of year 2019-20, 2020-21 were also present for this occasion. The achievers for those batches were felicitated with silver leaves by the chief guest and management.

In Conclusion

Mahatma Gandhi said *“Live as if you will die tomorrow, Learn as if you were to live forever.”*

Some milestones have been achieved and many still have to be reached. We at Young Scholars will continue our unceasing efforts to mold the young minds into well balanced personalities with confidence and zeal befitting the standards of this portal of education with your continuous support and encouragement.

We wish to dedicate all our achievements to the committed effort of a committed team called Young Scholars Academy. We humbly salute our visionary leaders and seek the blessings of the almighty to guide us in all our endeavors.

I take this opportunity to thank all those who have made the year a remarkable one. I would like to conclude by quoting our School Motto — To Learn To Lead. We see a potential leader in every child studying here and through the parent teacher interactions we hope to tap each one’s potential for their benefit.

I would like to thank all the members of the management, staff members and support staff who have been the reason why we have been able to sail smoothly during the pandemic and post it.

Thank you !

*Together we have experienced life,
separately we will pursue our dreams, forever our
memories will remain*

Coloured Little Parrot

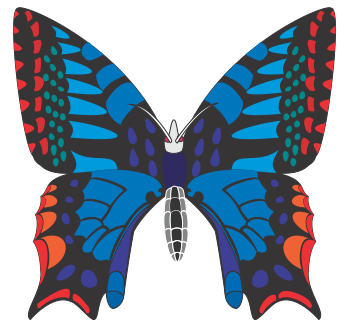

Coloured little parrot
Where are you ... ?
Come come to me
Don't hide in the tree
I'll give you treats
and plenty of nuts and fruits to eat.

Thanishka P. Gowda, 1A

I Am Lucky

If I were a butterfly,
I would be thankful,
For my wings.
If I were a mynah in a tree,
I would be thankful,
That I could sing.
If I were a fish in the sea,
I would be thankful,
That I can wriggle and giggle with glee.
So, I just think I am lucky to be "me".
Not "you" but "me".

My Pet Cat

I have a pet cat.
She likes to sit on a mat.
She has a small ball.
My cat is so tall.
We play together. She sleeps in the ground.
Her eyes are so bright.
Twinkling in the light.
She sleeps on my bed,
with a blanket that's red.

Shalini S., 3B

The Poem of a Tree

I am a tree tall and green
Always there to serve you all.
Nourish me with the soil, water, sunlight and air.
Nurture me with lots of love and care.
Protect me from seedling to fully grown.
Later I will be all your own.
I will give you fruits of different size and shapes.
From berries to cherries, apples to grapes.
You save me, I will save you,
And all my life, I will serve you.

Cindrella

Once upon a time there was a beautiful girl named Cindrella. She lived with her step-mother and step-sister. She had to work hard all day and night. One day, the King and the Queen invited every girl to the royal palace to find a bride for the prince. Step mother bought very beautiful clothes for her daughters and not for Cindrella. They went to the palace. Cindrella also wanted to go but she didn't have new clothes and shoes, so she felt sad. All of a sudden a fairy appeared in front of her and told her to bring a pumpkin and seven rats. Cindrella brought a pumpkin and the rats. The fairy waved her magic wand. The pumpkin turned into a coach and the four rats into horses. Two rats turned into coachmen. Her dirty clothes turned into beautiful ones. The fairy told to her that she could go the ball but must come back by 12 midnight. She agreed and went to the palace. She danced with the prince. She forgot about the time. It was almost midnight when she saw the clock. So she ran away from there. But she lost one of her slippers on the way. The prince found it. He ordered his ministers to find the girl. They went from door to door with one shoe. Every girl tried it on but it did not fit. The step sisters also tried it. But it did not fit. The minister found Cindrella hiding behind the door. She was made to try it out. The shoe fitted her perfectly. She was taken to the palace. The Prince married her and she became a princess. They lived happily ever after.

Strong or Weak

There was a proud Teak tree in the forest. He was tall and strong. There was small herb next to the tree. The Teak tree said that he was very handsome and strong. No one could defeat him. Hearing this the herb replied to him that too much pride was harmful even the strong would fall one day. The Teak tree ignored the herb's words. He continued to praise himself. A strong wind blew. The Teak tree stood firmly. Even when it rained, the Teak tree stood strong by spreading its leaves. At the same time the herb bowed low. The Teak tree made fun of the herb. One day there was a storm in the forest. The herb bowed low as usual but the Teak tree did not want to bow down. The storm kept growing stronger. The Teak tree could no longer bear it. He felt his strength giving way. He fell down. This was the end of the proud tree. When every thing was calm the herb stood straight. He looked around. He saw the proud Teak tree had fallen.

Moral: Never make fun of those who are weaker than you.

Life

Life can be full of miseries...
Can you face those difficulties ?
Can you move forward ?
Without being a coward ?

Can you adapt to face your life ?
Or will you just believe those lies ?

Be ready to change...
Don't be afraid to rearrange..
Life can be unfair,
But you can try what is fair...

Believe yourself...
Do it yourself !
Believe yourself...
Achieve yourself !

An Amazing Space Adventure

Once, there was a boy named Nick. He was a certified space captain. He had four friends, namely Fathima, Rahul, Amelia and David. All five of them were in NASA Junior Astronaut Club. They were set for their first ever planetary mission. They had already been to space, but that only involved orbiting around the earth as it was a part of the astronaut training.

They were eagerly waiting for the day of the mission. Soon the day arrived. The mission was to collect samples of the Martian soil and to send the 'Earth-Martian Rover' which will be carried safely through the space shuttle 'Marshal-II' by the five little astronauts.

The space shuttle launching count-down started the little astronauts were seated on the seats with their seat belt fastened and their space suits on. The count-down rolled "3.. 2.. 1.. 0.." and the space shuttle zoomed into space. Firstly, they flew past space debris, then past the moon. After a year long, adventurous and exciting journey, they reached their destination. They spent five Martian days and came back to Earth, with lots of discoveries about the Red Planet. After this they became professional astronauts.

Moral: Pursue your dreams.

Bhagwad Gita & it's importance

सुख दुःखे समे कृत्वा लाभो जयाजयौ ।
ततो युद्धाय युज्यस्व नैवं पापमवाप्स्यसि ॥ 2.38 ॥

This verse means, victory or defeat, gain or loss, happiness or sorrow, should be balanced which will result in a steady mind.

I relate to this verse alot. My gita journey started at a very young age. Honestly at first I didn't show much interest in it but, I totally changed when I learnt this verse. By inculcating this verse I got a control over my emotions and slowly stopped reacting to any negative situations. Today this verse has made me a stronger person.

Gita is not only a script, but a way of living which we all can follow.

Stars ! Our Best Friends

Where are stars from

Stretched throughout space are vast clouds of dust and gas called Nebulae. These clouds of dust and gas called Nebula are 99 percent hydrogen and helium with tiny amounts of other gases and minute quantities of city, cosmic dust.

Reach for the stars

Long before the first spacecraft blazed off people only imagined travelling to other star systems in the hope of finding new planets. Travelling between the stars is called interstellar travel, and one day it may happen. But the difficulties are huge. The main problem is that our fastest space ships travel at a significantly lesser speed i.e. one thousandth the speed of light. If we are to explore further, we need faster space crafts.

Are there otherways

Recently scientists have looked at using laser powered solar sails for interstellar travel. They say it would have to be huge to collect enough energy to power the craft.

Pollution Everywhere !

Today, I am pleased to share some interesting facts about pollution. Why do you think petroleum products have been banned around the Taj Mahal. Why do you think children die in Agra and Delhi ?

It is because of pollution. Pollution is the undesired change in the environment. Pollution is created by humans.

Increase in population means increase in industries, increase in industries means pollution. Some may wonder industries give us products to use then how are industries causing pollution ?

Well many industries release carbon monoxide, chlorofluorocarbons and sulphur oxide which cause air pollution and is also bad for us. These gases cause global warming. Global warming is caused by pollution and it means heating of earth. It leads to ozone decaying and of course, heating of the earth and melting of glaciers.

Then comes land pollution. Why do you think crops cannot be grown in some areas ? The answer is simple. It is because of dumping of chemical and plastic wastes. Well you know what are chemicals and what are plastics. We can rightly say that plastic is a needy evil.

These are the two major types of pollution that are hazardous to all living beings. We as a society need to be aware of the things we use and must follow the 4R's - reduce, reuse, refuse and recover.

ಕನ್ನಡ

ಆಮ್ಮೆ

ನಾ ಎಲ್ಲಿರಲಿ ಹೇಗಿರಲಿ ನೆನೆಯುವೆ ನಿನ್ನನ್ನೇ ಅಮ್ಮೆ
ನೋವಿರಲಿ ನಲಿವಿರಲಿ ಜೀವನದ ಪುಟ ಪುಟದಲಿ ನಿನ್ನನ್ನೇ ಬಯಸುವೆ ಅಮ್ಮೆ.
ನಾನಿರಬಹುದು ನಿನ್ನ ಬಿಟ್ಟು ದೂರ ಆದರೆ ಈ ಜೀವಕೆ ನೀನೇ ಆದಾರ.

ಇರಬಹುದು ನೀನು ಎಲ್ಲರಂತೊಬ್ಬಳು ಈ ಜಗಕೆ
ಆದರೆ ನನ್ನ ಬಾಳಿಗೆ ನೀನೇ ಬೆಳಕು.
ನಿನ್ನ ಮಗಳೆನ್ನಲು ಹೆಮ್ಮೆ ನನಗೆ
ಆದರೆ ಜೀವ ಬಯಸುತಿದೆ, ನೀ ನನ್ನ
ಅಮ್ಮನೆಂದು ಕೇಳುವ ಭಾಗ್ಯಕೆ.

ನನ್ನಿಂದಾಗದೆಂದು ನಾ ಕುಳಿತಾಗ
ನೆನೆಯುವೆ ನಿನ್ನ ಜೀವನವ
ಹಿಗ್ಗು-ತಗ್ಗುಗಳಿಗೆ ಲೆಕ್ಕಿಸದೆ ಮುನ್ನುಗ್ಗಿದೆ ಈ ಜೀವ.

ನನಗೆ ನೀಡುವೆ ಹೊಸ ಹುರುಪು ನೀನು
ಮತ್ತೊಮ್ಮೆ ಪ್ರಯತ್ನಿಸುವ ಛಲವನ್ನು
ನನ್ನ ಬಾಳಿಗೆ ಆಶಾಕಿರಣ ನೀನು
ನಿನ್ನ ನೋಡಿ ಕಲಿತೆ ಹೋರಾಡುವುದನು.

ನಾ ಆಡಬಹುದು ನಿನ್ನ ಕೂಡ ಸಹಸ್ರ ಜಗಳ
ಅದರಲ್ಲಿ ನಿನ್ನ ತಪ್ಪುಗಳು ಬಹಳ ವಿರಳ.

ಮುನಿಸಿಗೆ ಜಾಗ ಇಲ್ಲ, ನಮ್ಮಿಬ್ಬರ ಈ ಸಂಬಂಧದಲ್ಲಿ ಅಮ್ಮೆ
ನಿನ್ನೊಂದಿಗೆ ಕೋಪಗೊಂಡು ಮಾತು ಬಿಟ್ಟಾಗ
ನಾ ಕಾಡಿ ಬೇಡಿ ಮಾತನಾಡುತ್ತಿದ್ದೆ ನಿನಗೆ
ನೆನಪಿದೆಯಾ ನನ್ನ ಮುದ್ದಮ್ಮೆ.

ಪ್ರೀತಿಸುವುದ ಕಲಿಸಿದೆ ನೀನು
ಪ್ರೀತಿಯಲಿ ನಂಬಿಕೆ ಗೌರವಗಳ ಬೆಲೆ ತಿಳಿದೆ ನಾನು
ಪ್ರೀತಿ ಕುರುಡು ಎನ್ನುವರು, ನಂಬಿದೆ ನಾನು
ನನ್ನ ಕಾಣುವ ಮುನ್ನವೇ ಪ್ರೀತಿಸಿದೆ ನೀನು.

ಅಮ್ಮೆ.. ಎಲ್ಲರೂ ಹೇಳುವರು ನನಗೆ ಸ್ವಾಭಿಮಾನಿ ನಾನು
ಅವರಿಗೇನು ಗೊತ್ತು ನಿನ್ನ ಮಗಳು ನಾನು
ಸ್ವಾಭಿಮಾನದ ಬುತ್ತಿ ನೀನು.

ಅಪ್ಪು ಅಮರ

ಹೇ ಭಗವಂತ ನೀ ಮೋಸಗಾರ
ಮಿನುಗು ಮಾಣಿಕೈವಾ ಮಾಡಿದೆ ನಮ್ಮಿಂದ ದೂರ
ಮರೆಯದಾ ನೋವು ನೀಡಿದೆ ಇಂದು.
ಏಕೆ ಮರೆಯಾದೆ ನಂಬಿಕೆಯ ಕೊಂದು.
ಏಕೆ ಮಾಡಿದೆ ಭಗವಂತ ಇಂತಹ ಅನ್ಯಾಯ.
ಹೃದಯವಂತನ ಹೃದಯ ಮಾಡಿದೆ ಮಾಯ.
ಭಗವಂತನಿಲ್ಲದೆ ಬಡವಾಯ್ತು ನಾಡು.
ಎಲ್ಲಿ ಮರೆಯಾಯ್ತು ಬೆಟ್ಟದೂವಿನ ಹಾಡು.
ಕನ್ನಡ ಅರಸು ಕರುನಾಡಿಗೆ ಸ್ವಂತ.
ಮತ್ತೆ ಹುಟ್ಟಿ ಬರಲಿ ಆ ಭಾಗ್ಯವಂತ
ನೀವಿಲ್ಲದೆ ಕರ್ನಾಟಕವಾಯ್ತು ಶೂನ್ಯ
ನಿಮಗೆ ಈ ಕರುನಾಡೆ ಸುಂದರ ಅರಣ್ಯ.

ಮಂಗಗಳ ಉಪವಾಸದ ಕಥೆ

ಒಂದಾನೊಂದು ಕಾಲದಲ್ಲಿ ಒಂದು ಬಾಳೆಯ ತೋಟವಿತ್ತು. ಅದರ ಪಕ್ಕದಲ್ಲಿ ಒಂದು ಕಾಡಿತ್ತು. ಕಾಡಿನಲ್ಲಿ ಹಲವಾರು ಮಂಗಗಳು ವಾಸಿಸುತ್ತಿದ್ದವು. ಒಂದು ದಿನ ಅವುಗಳೆಲ್ಲವು ಒಟ್ಟಾಗಿ ಬಂದು ಉಪವಾಸ ಮಾಡಲು ತೀರ್ಮಾನಿಸಿತು. ಎಲ್ಲವು ಮುಖ-ಮುಖ ನೋಡಿಕೊಳ್ಳುತ್ತ ಕುಳಿತಿದ್ದವು. ಅವುಗಳಲ್ಲಿ ಒಂದು ಕಪಿ ಹೇಳಿತು, ಇವತ್ತು ಉಪವಾಸ ಇದ್ದೇವೆ, ಆದರೆ ನಾಳೆಗೆ ಊಟ ಬೇಕಲ್ಲವೆ ! ಅದಕ್ಕೆ ಇವತ್ತು ಆಹಾರವನ್ನು ಹುಡುಕೋಣ ಎಂದು ಹೇಳಿತು. ಈ ಮಾತನ್ನು ಒಪ್ಪಿದ ಎಲ್ಲಾ ಮಂಗಗಳು ಅಲ್ಲೇ ಪಕ್ಕದಲ್ಲಿದ್ದ ಬಾಳೆ ತೋಟಕ್ಕೆ ನುಗ್ಗಿ ಬಾಳೆ ಹಣ್ಣನ್ನು ಕಿತ್ತುಕೊಂಡು ಕೈಯಲ್ಲಿ ಹಿಡಿದು ಕೊಂಡವು. ಅದರಲ್ಲಿ ಒಂದು ಬುದ್ಧಿವಂತ ಮಂಗ ಹೇಳಿತು “ನೋಡಿ ಸುಮ್ಮನೇ ಏಕೆ ಕೈಯಲ್ಲಿ ಹಿಡಿಯುವುದು ? ಸಿಪ್ಪೆ ಬಿಡಿಸಿ ಹಿಡಿದು ಕೊಳ್ಳೋಣ ಅಂತ” ಇನ್ನೊಂದು ತುಂಬಾ ಆಸೆ ಬುರುಕ ಕಪಿ ‘ಕೈಯಲ್ಲೇಕೆ ಬಾಯೊಳಗೆ ಇಟ್ಟು ಕೊಳ್ಳೋಣ’ ಎಂದು ಹೇಳಿತು. ಮತ್ತೊಂದು ‘ಜಗಿದು ಇಡೋಣ’ ಎಂದು ಹೇಳಿತು. ಎಲ್ಲವೂ ಒಟ್ಟಿಗೆ ಜಗಿದೂ ಜಗಿದೂ ನುಂಗಿ ಉಪವಾಸ ಮುಗಿಸಿದವು. ಇದು ನಮ್ಮ ಮಂಗಗಳ ಬಾಳೆ ಹಣ್ಣಿನ ಉಪವಾಸದ ಕಥೆ

ओणम

ओणम केरल का प्रमुख त्योहार है। केरलवासी इस त्योहार को बहुत उत्साह के साथ मनाते हैं। चारों ओर रंग-बिरंगे फूल खिले होते हैं। उन्हें देखकर ऐसा लगता है कि मानो प्रकृति भी 'ओणम' का स्वागत कर रही हो। यह त्योहार अगस्त-सितंबर में मनाया जाता है। इस त्योहार को 'तिरु-ओणम' भी कहते हैं। इस समय केरल का मौसम बहुत ही सुहावना होता है। फ़सल पकने की खुशी में लोगों के मन में एक नई उमंग, नई आशा और नया विश्वास होता है। इसी खुशी में लोग सावन के देवता और फूलों की देवी की पूजा करते हैं। कहा जाता है कि 'राजा महाबलि' केरल के राजा थे। वे बहुत पराक्रमी और दानवीर थे। उनके राज्य में प्रजा बहुत सुखी थी। इस दिन वे साल में एक बार धरती पर अपनी प्रजा से मिलने आते हैं। उनके सम्मान में ओणम मनाया जाता है। आगे ओणम का चित्र है।

मेरे पापा

मेरे प्यारे प्यारे पापा
मेरे दिल में रहते पापा
मेरी छोटी सी खुशी के लिए
सब कुछ सेह जाते हैं पापा
पूरी करते हर मेरी इच्छा
उनके जैसा नहीं कोई अच्छा
मम्मी मेरी जब भी डांटे
मुझे दुलारते मेरे पापा
मेरे प्यारे प्यारे पापा ।

महिला सशक्तिकरण

‘लैंगिक असमानता’ भारत में मुख्य सामाजिक मुद्दा है जिसमें महिलाएँ पुरुषवादी प्रभुत्व देश में पिछड़ती जा रही हैं। पुरुष और महिला को बराबरी पर लाने के लिये महिला सशक्तिकरण में तेजी लाने की जरूरत है। सशक्तिकरण को लाने के लिये महिलाओं को अपने अधिकारों से अवगत होना चाहिए। न केवल घरेलू और पारिवारिक जिम्मेदारियाँ बल्कि महिलाओं को हर क्षेत्रों में सक्रिय और सकारात्मक भूमिका निभानी चाहिए। उन्हें अपने आस-पास और देश में होने वाली घटनाओं को भी जानना चाहिए। पं. जवाहरलाल नेहरू द्वारा कहा गया मशहूर वाक्य “लोगों को जगाने के लिये, महिलाओं को जागृत होना जरूरी है। एक बार जब वो अपना कदम उठा लेती है, परिवार आगे बढ़ता है, गाँव आगे बढ़ता है और राष्ट्र विकास की ओर उन्मुख होता है।” भारत में महिलाओं को सशक्त बनाने के लिये सबसे पहले समाज में उनके अधिकारों और मूल्यों को मारने वाले उन सभी राक्षसी सोच को मारना जरूरी है जैसे दहेज प्रथा, अशिक्षा यौन, हिंसा, असमानता, भ्रूण हत्या, महिलाओं के प्रति घरेलू हिंसा, बलात्कार, वैश्यावृत्ति, मानव तस्करी और ऐसे ही दूसरे विषय। लैंगिक भेदभाव राष्ट्र में सांस्कृतिक, सामाजिक आर्थिक और शैक्षणिक अंतर ले आता है जो देश को पीछे की ओर ढकेलता है। भारत के संविधान में उल्लेखित समानता के अधिकार को सुनिश्चित करने के लिए महिलाओं को ‘सशक्त’ बनाना सबसे प्रभावशाली उपाय है और इसके लिए कई सारे कदम भी उठाये जा रहे हैं।
